

Exhibitor Info No. 4 – area30 / cube30 2022

Dear Sir or Madam,

this exhibitor information provides you with important details for your trade fair preparations. Take an active part in shaping your participation in the trade fair.

Stand confirmation

For your internal stand planning, we will send you the stand confirmation **by the end of May 2022** with the following information:

- your stand position (stand number)
- your stand type
- of the square measure
- the access data for the hall plan
- the access data for the technical services
- as well as your stand layout

The aim of the hall layout is to achieve a balanced positioning of exhibitors in the hall. These goals are pursued in detail for the hall layout: related product and brand worlds are positioned at different locations in the hall, large and small exhibition stands are positioned attractively in harmony, every visitor reaches every exhibitor, every exhibitor is visible to every visitor, every location in the hall has a similar to the same attractiveness.

Media data – your advertising opportunities

area30 / cube30 offers you a variety of advertising media that you can use to effectively present your company and your brand(s).

Some mediums are only available in limited quantities. For this reason, we recommend booking as soon as possible.

To book your advertising media, please use the booking form on the last pages of the media data or make your booking via the AMS exhibitor portal.

Social Media – Follow us

Follow us on the social media channels and stay informed about news – share our posts to increase awareness of area30.

All exhibitor information is numbered. If you have missed a past exhibitor information, you can read it at any time. Here you will find all exhibitor information in retrospect:
